

**EECS 16B**

**Designing Information Devices and Systems II**

Department of Electrical Engineering and Computer Sciences

Profs. Shyam Parekh, Jean-Paul Tennant and Ming Wu

October 31 & November 2, 2023

# Upper Triangularization

# Schur Decomposition

# Constructive/Inductive Proof

# Important Features of UT Matrices

# Schur Decomposition & BIBO Stability

# Preliminaries for Spectral Theorem

# Spectral Theorem
